Dear Respected Sir(s),

Please allow me to introduce my company; Encompassing Trade specializes in international trade of goods, raw materials, agricultural goods, and natural resources. We also specialize in managing construction projects in the fields of oil and petrochemical plants, such as refineries, building of commercial and residential housing projects, and investment opportunities. We currently have ongoing housing projects in Istanbul, Turkey, and oil-related projects. Our current partners include NASCO Petroleum and Sentro Technologies USA for the drilling, management, and maintenance of oil fields in Los Angeles, California. We are also collaborating as partners with GNG Group, one of the largest and most prominent companies known world-wide, achieving exceptional results by using the most advanced and sophisticated technology methods for drilling oil wells efficiently and reliably. Additionally, we are pleased to have the opportunity to partner up with the Iraqi company REEM Group Oil Services company to assist in the management and support of our interests in Iraq.

Over the past 20 years, we have built a vast network with local and international companies that manufacture carbon steel oil and gas pipes. Our extensive experience and technical strength have led us to dominate in the fields of oil and gas engineering, mechanical equipment, and heat exchangers, constructing oil and gas pipelines, and constructing oil tanks. Our company has partnered with some of the best companies worldwide to offer many end-to-end services, that include, but not limited to, supplying, implementing, maintaining, and renovating any stations. We can offer material, technical, and administrative capabilities, and the latest advanced technologies for training and development, occupational safety, and specialized environment. If your esteemed ministry requests any service to be in line with your future projects, then it is our pleasure to contribute to the development of oil facilities related to oil and gas, and to enter into long-term strategic projects. We have our appointed representative Armaghan Tejarat Moghan Company (YELSU), along with Mr. Salman Farhani Romeileh of Irani Nationality DOB 31-May-1974 , with passport No:153081172 as the representative of the company to act as our main point of contact and to negotiate on behalf of Encompassing Trade.

It has been our honor to introduce our company and our business capabilities, and to extend our direct invitation to providing our services to you without delay. Please know that we are at your service and look forward to a successful and prosperous collaboration.

Most Sincere and Best Regards,

Mr. Hussein Alkhafaje
President/CEO of Encompassing Trade Inc.
